Painting on vessels

1 artwork: 1,800yen~

Painting and patterns are done on unglazed vessels using special paints and pastel crayons. Choose one vessel type to paint from 4 types of vessels : ① ceramic plate, ② porcelain plate, ③ teacup, and ④ mug.

※Delivery service is available within Japan for your artwork, taking approximately 30-40 days.

Small plate 1,800yen

Ceramic:Diameter about 15cm
Porcelain:Diameter about 10.5cm

Teacup 2,200yen

Mug 2,200yen

Required Time
30 min~

Making vessels with pinching

1 artwork: 2,000yen

Create vessels with hand-rolled clay ball to shape as you like.

※Delivery service is available within Japan for your artwork, taking approximately 60 days.

※The set of glaze colors will be rotated every 3 months.

Required Time
30 min~

.....The following activities can be taken home on the day.....

Drawing a picture on a bandana

Design and draw on the bandana cloth with the fabric crayons. For the finishing touch, ironing at home helps to fix the colors to the fabric.

※Size: about 53 cm × 53 cm

1 artwork: 800yen

Required Time
15 min~

Making postcards with Japanese paper

Tear off a piece of Japanese paper and paste them to create the art work on the postcard size sheet. This art form is called "Chigiri-e" in Japanese - a collaged Japanese paper.

1 set (3 artworks): 500yen

Required Time
30 min~

Making original badges

Create your original badge with the hand-drawn artwork. First, draw your design on the base paper and bring it to the reception desk. The staff will make it into a badge using a machine for you.

Large size 1piece 400yen

Small size 1piece 300yen

2pieces 500yen

3pieces 700yen

Required Time
5 min~
